Response to Office Action

REMARKS

The Examiner has rejected all pending claims 1, 4-16, and 41-53 on the basis of nonstatutory obviousness-type double patenting over U.S. Patent No. 7,072,720. Solely to expedite prosecution of the application, a terminal disclaimer is submitted, along with the required fee. Accordingly, prompt allowance of the claims is warranted and appreciated.

Respectfully submitted,
